**Turbines WRE030 and WRE060 are listed under the Green Book Live Micro generation Products—See pages <http://www.greenbooklive.com/search/displaycompany.jsp?partid=10016&sectionid=0&companyid=114318>**  
These turbines therefore qualify for grant applications.

Off Grid Battery and Water Heating Systems are available through our sales office.

Any charges from or related to the DNO Application / Approval for grid connection will be charged to the customer.

Prices are only indicative estimates and subject to change without prior notice. For multiple unit prices please contact the sales office. Prices quoted are subject to VAT and include site delivery (UK Mainland) in 1 drop for a roundtrip distance of 400 miles from HP19 8UP. All Ropatec VAWT's are supplied with a guarantee for 2 years from the date of delivery to site. Guarantee covers parts only for supply only units (subject to correct installation and commissioning by Llumarlite ES). Llumarlite ES will extend the guarantee (subject to normal access conditions) to cover labour for all Llumarlite ES installations. For further information please contact our sales office. Llumarlite ES Terms and Conditions of sale apply at all times.
